November is –

National Family Literacy Month

National Family Literacy Month brings families together to continue the tradition of reading as a family.

Here are some helpful hints to promote family literacy.

- Set aside time each day for reading with your children.
- Visit your local library
- Have books easily accessible around your home
- Read the book version of your child's favorite movie.

November is -

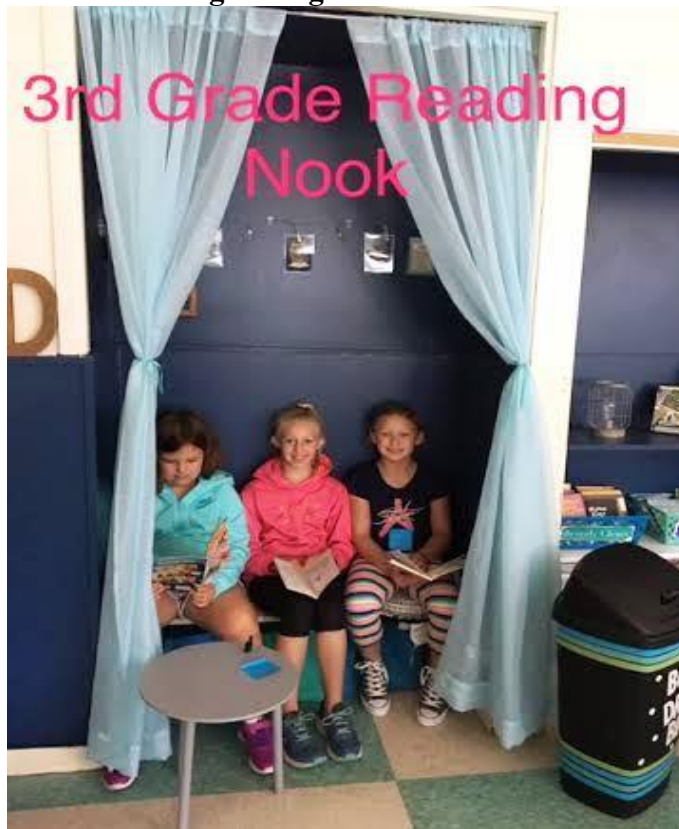

National Family Stories Month

With Thanksgiving just around the corner, many of us will be reconnecting with family members and listening to old family stories. All the stories that get passed around give us an opportunity to learn about our family traditions and heritage. Traditions make us feel connected.

Some ideas to keep traditions alive are;

1. Collect old family recipes to pass down to future generations.
2. Listen to stories of family events and traditions
3. Read a book aloud about a story of your families' heritage.
4. Learned where your ancestors came from.

"Painting A Brighter Future" Grant

Thank you to **True Value Foundation** and our **local True Value Retailer Campbell's Agway True Value in Winslow** for the 30 gallons of paint to brighten Williams Elementary School. The paint has revitalized our learning environments with the help of teachers and volunteers. Special Thanks to manager Jon Smith for all his help in securing the grant for WES.
