

# Counselors' Corner

## COMMUNICATION

Communication between parents, teachers, students, and the school counselors is vital to ensure that students are receiving the support that they need throughout their schooling. Twice a year, over four days, parents are invited to come in to schools to meet with their student's teachers and counselors during parent teacher conferences.

This spring conferences will be held on March 13th from 5-8pm and March 14th from 3-6:30pm. Even when you believe your child is doing well, it is important to check in with their teachers and the school to learn about the many opportunities available to students. The link to register for conferences can be found below, or on the Information and Events tab under Upcoming Events on the MHS Guidance website. Registration opens at 8am on February 27th, and closes at 8:30pm on March 12th. Any parents wishing to register after that time should contact the teachers directly to schedule a time to meet. We look forward to seeing you there! [www.rsu18.org](http://www.rsu18.org)
