Chief Operations Officer

4/16/2020

Parents and Students,

Today is our last day before spring break. I know talking about April vacation right now seems strange, but I think many people need this break. Friday April 17<sup>th</sup> was scheduled to be a day off for the teaching staff, and we are still following our board adopted school calendar. Therefore, there is no remote learning scheduled for Friday April 17<sup>th</sup>. Our remote learning will resume on Monday April 27<sup>th</sup>.

During vacation week we will still be operating our nutrition program. Monday is a holiday, so we will not have it on that day. Our sites will open Tuesday through Friday, and delivery will be just Tuesday and Friday. Our primary goal during this time remains the safety and well-being of our students and families. I hope you are healthy and taking care of yourself. Hopefully some nicer weather will be here soon. Even with social distancing nice weather will be a welcome change.

As a reminder, as of May 4<sup>th</sup>, our remote learning opportunities will transition to include new curriculum material. Students will be expected to be engaged in their learning either through online virtual sessions with your teacher, by doing the assigned materials uploaded to our website or other means by working with the teacher or educational technician.

Please continue to reach out to your building administrator, Mr. Morin our Assistant Superintendent or myself if we can help you.

Keep yourself healthy,

Carl Gartley  
Superintendent
